### Administrative History

The first meeting of the Rotary Club of Wolfville was held on 14 May, 1935. A month later, at the Acadia Villa Hotel on 14 June, 1935, the Club became 'chartered' as RI Club # 3812. The event was attended by 70 guests. The formation of the Club was supported and brought about by the 13 charter members (including Burpee Wallace, Scott Eaton, and Cliff Fairns), as well as the Rotary Clubs of Windsor and Kentville, along with past District Governor George E. Graham.

The Club's first meeting place was the dining room of the Acadia Villa Hotel. When the hotel was destroyed by fire, meetings moved to the dining room of the Evangeline Inn. Later the Rotary Club of Wolfville met at the Paramount Hotel, and finally at the Old Orchard Inn.

The Rotary Club of Wolfville has a long history of community service which includes combating poverty, student assistance, funding and support for disabled children, community health services, and a variety of community public spaces (Rotary Playing Field, Ridge Stile Park, and the Quiet Park). Funding for all these activities comes from member dues and fines, donations, and annual fundraisers such as a gala, auction, duck race, and Easter Seals.

The Rotary Club of Wolfville is associated with Rotary International and District 782.
